

Tomorrow's Technology Today

Low Voltage Electronic Specialist

TIPS FOR VIEWING THIS PRESENTATION:

1. Take advantage of the built-in **Table of Contents** by clicking on the **palette icon** (show/hide navigation pane) located just to the right of the printer icon. Or you can go up to **WINDOW...** then select **Show Bookmarks**.
2. After selecting from the menu on the left, click on the palette icon once more and the selected section will open full screen for easy viewing.
3. To go to a website on the Internet from this pdf file, right click on the web or email address, then select **"Open Weblink in Browser"**.

Whole-House Stereo Hub

Whole-House Stereo Distribution Hub

Install this option and you can use your structured wiring network to play music that suits your mood throughout your entire home. This option will distribute an audio signal to 8 stereo or 16 mono locations, or any combination of your choice. Individual On/Off volume controls in each room allow for personalized sound control.

Whole-House Stereo Package includes:

- Audio distribution Module
- Quality 16 gauge shielded speaker cable
- 8 sets (pair) of quality ceiling mounted speakers
- 8 in-wall volume controls
- All installation fees
